**Sub: Restructuring of SAI NCOEs -Reg**

Considering that our focus has to be excellence in Olympics and other major events, the allocation of disciplines and sanctioned strength in NCOEs have been revisited, so that the desired results can be achieved. In this regard, the competent authority has approved revised sanctioned strength and permissible strength for the year 2021-22 (upto 31<sup>st</sup>March 2022) enclosed herewith as **Annexure I & II respectively**.

All concerned may please note for compliance, following instructions may be strictly followed:

1. The Regional Directors may coordinate with each other for shifting/transfer of athletes in Non-TOPS NCOEs, if required;
2. While undertaking Induction process for the current year, the standard practice of induction as circulated vide 23/SAI/OPS/NCOE's/2019-20 dated: 18.11.2020( induction through TIDC only) will be followed by taking permissible strength for the year 2021-22 into account;
3. RDs are authorized to decide, if situation warrants, on conversion of residential athlete into non-residential athlete and vice versa, within the approved ratio of residential and non-residential athletes in a particular NCOE and within the sanctioned strength and permissible strength (for current year), if required.
