

Press Release

New Delhi: 21st Jan 2022

Press Statement

January 21, New Delhi: 33 positive Covid-19 cases have been found from a total of 128 test results at the SAI National Centre of Excellence, Bengaluru.

16 athletes and one coach from the Senior Men's Hockey team, training at the centre ahead of the upcoming FIH Pro League in South Africa, have tested positive. They are all asymptomatic.

Among the Junior Women's Hockey girls training for the Jr Women World Cup in April, 15 have tested positive. While 3 are asymptomatic, 12 of them are symptomatic.

The two other positive members constitute a Senior Women Hockey team player, who is symptomatic and a masseuse from the Athletics team.

SAI is taking all the necessary steps to treat the players in isolation and help them recover steadily.
