No. 23/SAI/OPS/NCOE-Circular/2024-2025 /8547

04.09.2024

CIRCULAR

Sub: Revision of Norms for Medical and Insurance Expenses of NCOE Athletes from FY 2024-25 -reg.

In terms of O.M. dated 18th September, 2019, an amount of Rs. 5,000/- per athlete was earmarked for meeting the expenditure towards medical insurance and OPD treatment of NCOE athletes. This amount has been found to be insufficient in view of the increased medical and personal accidental insurance cover (Rs. 5653.38/-) and increase in cost of other elements such as age verification test, OPD treatment, Misc. & contingency expenses including biochemical testing of NCOE athletes twice a year as per KITD protocols.

Consequently, Governing Body of SAI in its 60th meeting held on 08th August, 2024 has approved the revision of expenditure towards insurance and medical expenses (including contingencies as mentioned below:-

S. No.	Head of Expenditure	Existing Norms	Revised Norms
1.	Insurance and Medical Expenses (including contingencies)	Rs. 5,000 per athlete per year	Rs. 15,000 per athlete per year

Hindi version will follow.

(Shiv Sharma)
Dy. Director General
