In case, it is not possible to hold the General Body meeting due to one reason or the other and the report is ready for being placed before the Parliament, the same may be got approved from the Chairman, Governing Body and laid before the Parliament, which could subsequently be got ratified by the General Body in its next meeting.

After detailed deliberations, it was decided that the topper shall be issued an offer of appointment as Asstt. Coach in SAI. However, in case, there was no vacancy in that particular discipline, the topper shall be eligible for being considered for the next three years, i.e., to say that before issuing letter of appointment to the topper of a particular year, it would be seen if toppers of earlier three years were issued any offer and if not, selection will be made from amongst them by way of an interview, rather than issuing offer to the topper of that particular year.
AMENDMENT IN QUALIFICATIONS / ELIGIBILITY CRITERIA FOR ADMISSION TO DIPLOMA COURSE IN SPORTS COACHING AT NSNIS, PATIALA AND LNCPE, THIRUVANANTHAPURAM

The position contained in the agenda notes was explained by Secretary, SAI in detail. Various suggestions were made by the members with regard to the outdated sports coaching curriculum prevalent in SAI academic institutions, selection criteria for appointment of coaches, unattractive salary package for the coaches and their appointment for a fixed short tenure on the pattern of Short Service Commission in Army, due recognition to the coaches who are producing excellent results at the grass-root level, criteria for monitoring their performance, etc.

As regards amendment in qualifications/eligibility criteria for admission to Diploma Course in Sports Coaching at NSNIS, Patiala and LNCPE, Thiruvananthapuram, the proposal as contained in the agenda note, was approved, though Dr. C.P. Joshi, M.P., was of the opinion that the same should be restricted to BPEd’s alone, since those who opt for BPEd, have already chosen their educational path towards physical education/sports coaching. However, since the same did not find favour with the members from Railway Sports Promotion Board, Services Sports Control Board, etc., the agenda point was approved as such.

While discussing the issue, the Chairman informed that recently, a delegation from MYAS/SAI had visited U.K. to study the best practices in Sports & Sports Sciences as also to explore possibilities of collaboration with the various universities/institutes there, viz., UK Sports, Sports Coach UK, University of Birmingham, Cambridge Innovation Consultancy, Bradford College, etc. The Report submitted by the delegation is under examination of the Govt. and appropriate action will accordingly be taken. It was further desired that possibility may also be explored to have similar tie-ups with other leading global institutions, such as, Australian Sports Commission, etc., for evolving an updated coaching framework in India.
After detailed discussions, the Chairman desired that an in-depth study of all the afore-mentioned issues be conducted by a Working Group and the recommendations thereof be submitted at the earliest for consideration by the Governing Body at its next meeting. The composition of the Working Group will be as under:

i. Shri P. Gopichand : Chairman
 ii. Dr. Rajpal Singh, Director, : Member
    FICCI

    Secretary, AIU

It was informed by Secretary (Sports) that there are many specialists/experts in the field of setting up of Museums and efforts should be made to hold a dialogue with them, keeping in mind the following:  
- MDCNS is a heritage building;  
- It is also a venue for holding regular sports activities, including the various national and international level competitions, which should not get affected;  
- If required, the location of the proposed Museum could be changed (instead of MDCNS), if the space for Museum is found to be inadequate.

Item No. A-4: ESTABLISHMENT OF SAI NATIONAL SWIMMING ACADEMY (SAINSA) AT DR. SPM SWIMMING POOL COMPLEX

The proposal for setting up of a SAI National Swimming Academy (SAINSA) at Dr. SPM Swimming Pool Complex, New Delhi, was approved in principle.

However, referring to the DPR enclosed alongwith the agenda note, Shri Morad Ali Khan pointed out that monthly emoluments indicated for various posts, such as, Sports Medicine doctors, Nutritionist, etc., seem to be on a very lower side and as such, we may not be able to find befitting/quality persons in these categories. Chairman desired that these issues may be revisited and focus should also be given to the curriculum aspect.

Item No. A-5: CREATION OF GOLF DRIVING RANGE AND SQUASH COURTS AT J.N. STADIUM, NEW DELHI

The proposal for creation of a Golf Driving Range and Squash Courts at J.N. Stadium, New Delhi with a cost of Rs. 721.57 lakhs and Rs. 567.91 lakhs respectively will be reexamined taking into account revenue streams, venue related matters and cost benefit analysis.

However, in view of the apprehensions of some members about the likely return to SAI upon such a huge investment on creation of the Golf Driving Range, DG, SAI stated that he will have a relook at the revenue generation potential and the matter would be placed before Chairman on file.

The position, as contained in the agenda note, was approved. However, in the present format it is insisted by the GB that the actual expenditure with reference to RE may also be brought to the notice of GB. Accordingly, the DG assured that the same will be brought to the notice of all the members by circulation.

Item No. A-7: SUPPLY & INSTALLATION OF SHOOTING RANGE EQUIPMENT AT BANGALORE

The proposal for procurement of Shooting Range equipment at a total cost of Rs. 126 lakhs (approx.) for the Shooting Range at SAI NSCC, Bangalore was approved. [Secretary (Sports) suggested that some technical expert should be consulted and both the Ranges, i.e, Dr. Kam Singh Shooting Range, Tughlasbad and at SAI NSCC, Bangalore, should be properly equipped with all the requisite equipment to make them fully functional. DG, SAI assured that the needful would be done in this regard].
Item No. A-8: APPROVAL FOR CREATION OF 400-BEDDED DORMITORY AT J.N. STADIUM AND LETTING OUT OF SPACE TO GOVERNMENT ORGANIZATIONS/NATIONAL SPORTS FEDERATIONS

The proposal to award AMC to M/s. SİUS AG, Switzerland, on proprietary basis, at an annual estimated expenditure of Rs. 2.00 crores was approved. However, it was felt that the amount of AMC quoted by the firm may be negotiated with them to try and reduce the AMC cost.

Item No. A-10: CONSTRUCTION OF 100-BEDDED BOYS' HOSTEL AT LNCPE, THIRUVANANTHAPURAM AT AN ESTIMATED COST OF RS. 805.02 LAKHS

It was informed that with the conversion of existing 3-year BPE course into 4-year BPE course, there will be an addition of 275 students in the academic year 2017-18 at LNCPE, Thiruvananthapuram and hence, there is an urgent need to construct a new 100-bedded boys' hostel in the college campus.

JS (Development) stated that the tenure of BPE courses has recently been reduced by All India Council of Physical Education from the earlier 4 years to 3 years. In view of this, construction of a hostel at LNCPE, Thiruvananthapuram may have to be reviewed, after ascertaining all details in this regard. DG stated that the proposal will be relooked and will be deferred, if required.

Item No. A-11: RENOVATION OF EXISTING SWIMMING POOL AT LNCPE, THIRUVANANTHAPURAM AT AN ESTIMATED COST OF RS. 180.00 LAKHS

The proposal for renovation of existing swimming pool at LNCPE, Thiruvananthapuram at an estimated cost of Rs. 180.00 Lakhs was approved.

However, in view of the acute shortage of funds to complete the various approved/on-going works vis-à-vis the anticipated budgetary provision for the same, DG, SAI informed that an exercise will be undertaken to prioritize the various works including those already approved and under implementation.
Item No. A-12: ACCOUNTING & FINANCIAL REFORMS IN SAI - DEVELOPMENT OF FINANCE AND ACCOUNTS MANUAL OF SAI IN-HOUSE

The proposal for getting the Finance and Accounting Manual of SAI prepared in-house was approved. Secretary, SAI informed that a manual on General Administration is also being prepared and the same is likely to be ready in the next 2-3 months.

The proposal for holding marriages in J.N. Stadium and I.G. Stadium was ratified. However, some of the members expressed their concern in terms of the sporting atmosphere which is likely to be affected, by way of such a move by SAI, as also the likely damage to sporting facilities. DG, SAI clarified that for the said purpose only some designated areas shall be identified in both the stadia, preferably with designated Entry/Exit points, and utmost precaution shall be ensured so that the sporting activities in the stadia continue in an uninterrupted manner. Part - B
(Ratification of Executive Committee decisions)

Item No. B-1: RATIFICATION OF DECISIONS TAKEN BY THE EXECUTIVE COMMITTEE OF SAI

Pursuant to the decision taken in the last (42nd) GB meeting held on 17.12.2013, the minutes of all the three Executive Committee meetings held on 17.02.2014, 12.06.2014 and 13.10.2014 were noted/ratified by the Governing Body with the following observations on some specific items:

Item No. 2 of 2nd Executive Committee : Taking over of Thiruvananthapuram Golf Course

Approved. However, the issue regarding creation of a separate Society to run the Golf Course may be examined.

Item no. 3 of 2nd Executive Committee : 'Come & Play and 'Community Connect' Scheme and the proposed new tariff structure

Approved in principle, however, the cost benefit analysis would be done for new projects under 'Community Connect' where the work has not yet started. No fresh project under 'Community Connect' should be undertaken unless the positive revenue generation and pay back of capital expenditure is clearly established. This would apply to projects that were approved in principle but not yet started.
Item No. C-1: ESTABLISHMENT OF NATIONAL SPORTS ACADEMIES

The matter was deliberated at length, Secretary (Sports) pointed out that the various related issues like recruitment of staff (including coaches and scientific staff), devising mechanism for running the Academy, etc., should be properly reflected in the proposal and a comprehensive proposal be placed before GB for its consideration/approval.

Item No. C-2: REVIEW OF SAI SPORTS PROMOTIONAL SCHEMES

After detailed discussions, it was decided that the report submitted by Shri B.V.P. Rao Committee should be examined by DG, SAI in the first instance and thereafter, the matter should be submitted to GB alongwith the comments/recommendations from DG, SAI.

Item No. C-3: REVIEW OF NORMS OF AKHARA SCHEME

The decision taken for providing sports kit and competition exposure to the trainees of Akhara Scheme, in addition to the facilities already provided, was ratified. However, Secretary (Sports) stated that there is a need to review the Akhara Scheme which should be carried out on priority basis. It should be a dynamic scheme.

Item No. C-4: CLOSING DOWN OF STC, HAZARIBAGH (JHARKHAND)

Not approved. DG, SAI informed that the matter shall be taken up once again with the State Government, in view of the huge investment made by SAI for creation of sports infrastructure at the Centre. For this purpose, matter will be taken up with the Chief Secretary of the State as well as with DG, CRPF and the position shall be reported in the next GB meeting. Addl. Secretary (Exptd.) suggested that Jharkhand Armed Police (JAP) may also be approached, if deemed necessary.

Item No. C-5: RESTRUCTURING OF SPORTS AUTHORITY OF INDIA

The proposal for engaging IIM, Ahmedabad for undertaking a study for restructuring of SAI at a total cost of Rs. 22.00 Lakhs + Service Tax was approved. However, the Chairman desired that during the course of SAI's restructuring, it should focus both on broadening its base in the rural areas and promoting excellence in sports.
Item No. C-6: REVISED TARIFF PLAN OF SPORTS AND NON-SPORTS EVENTS - SAI STADIA IN DELHI

The proposal containing tariff plan for 'Come & Play', 'Community Connect' and booking of stadia for Sports and Non-sports events was approved.

Item No. C-7: RENAMING OF THE WEIGHTLIFTING AUDITORIUM AT J.N. STADIUM COMPLEX, NEW DELHI

Chairman desired that the members may send their suggestions for renaming the Weightlifting Auditorium at J.N. Stadium Complex, New Delhi, so that a final decision could be taken.

Item No. C-8: AMENDMENT IN THE RECRUITMENT RULES (RRs) OF COACHING CADRE OF SPORTS AUTHORITY OF INDIA

The proposal was approved. However, Ms. Ashwini Nachappa pointed out that the report submitted earlier by a committee headed by Dr. GSG Ayyangar, JS (Development), MYAS has not been duly reflected in the agenda note. DG, SAI stated that this will be looked into and the position reported in the next GB meeting.

Item No. C-9: TRANSFER POLICY FOR EMPLOYEES OF SAI

It was felt that the proposal needs to be examined in some more details.

Item No. C-10: PROPOSAL FOR CADRE RESTRUCTURING IN SAI

The Chairman observed that there is a need to increase the number of SAI Regional Centres (which is 9 at present), with a view to enhance their operational efficiency and management. However, he desired that structure should not be too heavy.

On the issue of managing the STC/SAG Centres by an Asstt. Director level officer, it was pointed out that the Coaches posted in these Centres are comparatively in higher pay scale/grade which, at times, leads to avoidable conflicts, thereby causing inconvenience/fuss to the trainees eventually. Secretary (Sports) suggested that suitable provisions could be made in the RRs of SAI for considering Coaches for induction in the administrative cadre of SAI.

Shri Pullela Gopichand suggested that the assessment of Coaches should not be done by non-technical cadre. He stated that coaches should find due importance in the system. DG, SAI assured that matter will be examined.
Item No. C-11: AMENDMENT IN THE MEMORANDUM OF ASSOCIATION AND RULES OF SOCIETY OF THE SPORTS AUTHORITY OF INDIA

The alteration/amendments proposed to be incorporated in the Memorandum of Association & Rules of SAI were approved. However, JS (Sports) pointed out that the said amendments, once approved by the Governing Body, are also required to be passed by the General Body, with the sanction of the Govt. of India, in terms of Rule 53 of the Rules of SAI.

Item No. C-12: APPROVAL OF ANNUAL REPORT AND AUDITED ACCOUNTS OF SAI FOR THE YEAR 2012-13

The Annual Report and Audited Accounts of SAI for the year 2012-13 were approved.

Item No. C-13: REPLACEMENT OF HOCKEY SURFACE AT SAI NSSC, BANGALORE (INCLUDING ADDITIONAL FACILITIES), AT AN ESTIMATED COST OF RS. 860.00 LAKHS

Approved. However, instead of resorting to PAC, we should follow GFR provisions on open bidding basis. It was also informed that there are several firms which are manufacturing such blue turfs (as recommended for training of Indian Hockey team for Rio-Olympics, 2016). An exercise may therefore be carried out to find out the details of such firms so that the process of procurement is more transparent and competitive. DG, SAI observed that in the meanwhile the national team may use existing blue turf at Bhubaneswar, Mohali etc.

Supplementary Items

Supplementary Item No. 1: APPROVAL OF ANNUAL ACCOUNTS AND FINANCIAL STATEMENT (2013-14) OF SPORTS AUTHORITY OF INDIA (SAI)

The Annual Accounts Itemized in the supplementary agenda have been approved by the GB and instructed to submit the same to the audit authorities

Supplementary Item No. 2: SHIFTING OF STC CENTRE FROM UDHAMPUR TO JAMMU AND OPENING OF ITS EXTENSION CENTRE AT SRINAGAR

Approved. Secretary (Sports) pointed out that in future a full-fledged proposal including deployment of coaches, financial implications, etc., should be prepared and placed before GB for its consideration.

16
Miscellaneous:

i Shri Viren Rasquinha desired to know about the preparation of Indian teams for Olympics-2016 as also the progress made under TOPS (Target Olympic Podium Scheme). JS (Sports) informed that so far, 45 athletes have been selected, as against the target of 75. The players were selected by a Selection Committee headed by legendary cricketer, Mr. Rahul Dravid and many other eminent sportspersons. The Chairman observed that TOPS should be fully integrated with the LTDP and ACTC implemented by the NSFs and SAI and the additionality must be met from TOPS, which permits tailor-made approach that is athlete – specific. He wanted DG, SAI to take necessary steps to integrate the two so that the training and preparation for Olympics and other major events is carried out in a smooth manner with full integration between ACTC and TOPS.

JS (Sports), MYAS, who is currently the Chairman of the Implementation Committee, suggested that this committee should henceforth be chaired by DG, SAI, which was approved by the Chairman.

ii Shri Balchung Bhutia enquired about the preparations of Indian side for FIFA World Youth Championship. It was informed by JS (Sports) that so far, the event has not been formally allotted to India. However, several meetings in this regard have been held so far to finalize various related issues. DG, SAI requested Shri Bhutia to send a concept paper in this regard for consideration by SAI/MYAS.

iii Referring to the turf laid by SAI in the Army Cantonment at Bareilly, Shri Zafar Iqbal stated that there is no hostel facility available for the players. He, therefore, desired that the hostel facility may be developed. ED (Stadia) informed in the meeting that since the land belongs to the cantonment board, matter will further be taken up for allotment of land for construction of hostel.

iv The next meeting of the Governing Body shall be held in the month of May, 2015. The Chairman desired that the GB should meet every quarter in future.

The meeting concluded with a vote of thanks to the Chair.

8.1 The proposal was approved. In addition, it was suggested that SAI should take initiative in having a generic software developed for registration of athletes by all NSFs to prevent age fraud. SAI was advised to come up with a separate proposal in this regard.

Agenda Item No. 9
PURCHASE OF STAFF CARS / BUSES AGAINST CONDEMNED VEHICLES ON REPLACEMENT BASIS

9.1 The proposal was ratified subject to following Government instructions in this regard.

Agenda Item no. 10
APPROVAL OF BUDGET ALLOCATION (2015-16) OF SPORTS AUTHORITY OF INDIA (SAI)

10.1 The proposal was approved.

Agenda Item No. 11
RE-CONSTITUTION OF PERSONNEL ADVISORY COMMITTEE (PAC) OF SAI

11.1 It was observed that the constitution of PAC may be reviewed with the approval of Hon’ble Minister (IC) for Youth Affairs & Sports and Chairman, SAI. Secretary (Sports) observed that JS (Sports) should be a member in the Committee in accordance with past practice.

Agenda Item No. 12
ENHANCEMENT OF REMUNERATION OF CONTRACTUAL COACHES IN SAI

12.1 The proposal was ratified.

Agenda Item No. 13
RECRUITMENT OF COACHES IN SAI ON CONTRACT BASIS.

13.1 The proposal was approved. On enquiry, DG, SAI clarified that regular recruitment process would be time-taking as it took 1½ years during the last recruitment drive. He stated that those on contract also would be able to apply for regular position when the regular recruitment is taken up.

Agenda Item No. 14
OPENING OF A SAI TRAINING CENTRE AT UDAIL PRATAP INTER COLLEGE, VARANASI

14.1 Secretary (Sports) observed that opening of a new Centre would involve creation of new posts (both Administrative and Coaching), and also entail a certain amount of recurring and non-recurring expenditure, which should have been clearly brought out in the agenda. He felt that the stand taken that the Centre would be set up within existing scheme & manpower was not tenable. He observed that these should have been appropriately first placed in the Finance Committee (FC) before bringing it to the Governing Body (GB) on the lines of EFC/SFC.

14.2 DG, SAI explained that the entire sports and related infrastructure, including hostel, would be made available by the College where already an NSTC Centre and a STC Extension Centre are functioning. SAI’s financial commitment would be with respect to training related expenditure under the Scheme as per approved norms of the scheme. Further, deployment of coaches and other staff will be done by way of internal adjustment. He pointed out that in the 41st meeting of GB held on 24.09.2013, 27

INJETI SRINIVAS
Director General
Sports Authority of India
Jawaharlal Nehru Stadium Complex
(East Gate), Lodhi Road, New Delhi-110003
additional centres of Army Boys Sports Companies and 7 Centres of Excellence in collaboration with Armed Forces were approved by the GB without the matter being placed before the FC, as the recurring and non-recurring expenditure in these projects were in accordance with the norms prescribed in the approved scheme. He also pointed out that a number of National Sports Academies in SAI Centres have also been set up without prior concurrence by the FC on the same consideration. In all these cases, the basic idea was to expand the number of trainees under SAI promotional schemes, making optimal utilization of existing SAI infrastructure, man-power and block grant for the purpose of promoting excellence in sports. It was also pointed out that a large number of STC/SAG Centres approved by the GB in the past could not be implemented because of non-materialization of commitments from the concerned State Governments, the number of which exceeds 10, and therefore, enough elbow space was available to consider strong and deserving new proposals.

14.3 DG, SAI explained that with the above objective in mind, the budget for SAI promotional schemes was raised to Rs. 70.00 crore for the F.Y. 2015-16 from Rs. 52.75 crore last year. This would help SAI in starting the additional ABSCs already approved by the GB and also new centres at selected locations, especially far-off, remote and under-developed areas where sports development can play a crucial role in giving youth an opportunity to harness their potential. It was also pointed out that in the past, in all cases of new STCs, SAGs or Regional Centres, no additional posts were created. SAI has an approved strength of 1,524 Coaches and 2,036 Administrative staff. The entire requirement of SAI will have to be met within these limits.

14.4 Addl. Secretary (Expenditure) observed that the expenditure on these projects for creation of sports or related infrastructure should not be incurred without the approval of FC.

14.5 The Chairman, GB sought the opinion of all members and approved the proposal, subject to the observations made by Addl. Secretary (Expenditure). The Chairman advised SAI to follow a strict time-frame for implementation of the project.

Agenda Item No. 15
OPENING OF SAG WATER SPORTS CENTRE AT LAKSHADWEEP

15.1 The observations made by Secretary (Sports) and Addl. Secretary (Expenditure) were common to Item No. 14-20 and 22. Similarly, the comments of DG, SAI were common to these items. Further, it was clarified that, the instant proposal was only to initiate a dialogue with the civil authorities of Lakshadweep. As such, once a firm proposal is arrived at, the matter will be placed before FC and GB for commissioning of the project. The proposal was approved in principle accordingly.

Agenda Item No. 16

EXPANSION OF JURISDICTION OF SAI ADMINISTRATIVE UNIT AT LNCPE, THIRUVANANTHAPURAM

16.1 This proposal does not involve creation of any new Centre. The SAI administrative unit set-up at Thiruvananthapuram already looks after SAI promotional schemes in Kerala. The instant proposal to extend the territorial jurisdiction to cover Tamil Nadu, Puducherry and Lakshadweep is aimed at effective monitoring, as the present territorial jurisdiction of SAI Southern Regional Centre was unwieldy. The proposal does not involve creation of new posts, as LNCPE, Thiruvananthapuram has adequate sanctioned strength. The Governing Body, in 2008, has already authorized the Chairman to take a decision with regard to rationalization and re-distribution of States falling within the jurisdiction of different Regional Centres/Units.

16.2 The proposal was approved within the existing administrative unit of LNCPE, Thiruvananthapuram without creating a new Regional Centre.

Agenda Item No. 17

OPENING OF A SPECIAL AREA GAMES CENTRE IN KARGIL, JAMMU & KASHMIR

17.1 The observations made by Secretary (Sports) and Addl. Secretary (Expenditure) were common to Item No. 14-20 and 22. Similarly, the comments of DG, SAI were common to these items. The Chairman, GB, after deliberating the matter and taking the opinion of all Members, approved the proposal subject to the observations made by Addl. Secretary (Expenditure), as indicated in Item No. 14 above.

Agenda Item No. 18

ESTABLISHMENT OF SAI STC CENTRE IN UPPER ASSAM AT NORTH LAKHIMPUR

18.1 The observations made by Secretary (Sports) and Addl. Secretary (Expenditure) were common to Item No. 14-20 and 22. Similarly, the comments of DG, SAI were common to these items. This case is similar to the proposal at Item No. 16 wherein only in-principle approval is being sought to engage with the State Government. The proposal was approved accordingly.

Agenda Item No. 19

ESTABLISHMENT OF SAI REGIONAL CENTRE AT WATHORA, NAGPUR (MAHARASHTRA)

19.1 The observations made by Secretary (Sports) and Addl. Secretary (Expenditure) were common to Item No. 14-20 and 22. Similarly, the comments of DG, SAI were common to these items. In the instant case, establishment of a SAI Regional Centre at

INJETI SRINIVAS
Director General
Sports Authority of India

(East Gate), Lodhi Road, New Delhi-110003
Wathora, Nagpur, has been already approved by the Chairman, GB, taking into consideration the unwieldy jurisdiction of SAI Western Region which currently handles the States of Gujarat, Maharashtra, Rajasthan and UTs of Daman & Diu and Dadra & Nagar Haveli. It was noted that the Director posted at STC, Kandivali shall be in-charge of Maharashtra, Goa and Daman & Diu.

19.2 The proposal was ratified with the condition that a detailed estimate shall be worked out and submitted to Finance Committee once the lease document is signed with Maharashtra Government.

**Agenda Item No. 20**

**SETTING UP OF A SAI TRAINING CENTRE (STC) AT RASHTRASANT TUKADODI MAHARAJ, NAGPUR UNIVERSITY**

20.1 The observations made by Secretary (Sports) and Addl. Secretary (Expenditure) were common to Item No. 14-20 and 22. Similarly, the comments of DG, SAI were common to these items.

20.2 The proposal was approved subject to the observations made by the Additional Secretary (Expenditure) with respect to Item No. 14 above.

**Agenda Item No. 21**

**SAI NATIONAL SPORTS ACADEMIES**

21.1 The standard template for National Sports Academies that are already operational or under implementation was approved.

**Agenda Item No. 22**

**ESTABLISHMENT OF SAI CENTER OF EXCELLENCE (COE) FOR GYMNASTS AT IG SPORTS COMPLEX, NEW DELHI**

22.1 The observations made by Secretary (Sports) and Addl. Secretary (Expenditure) were common to Item No. 14-20 and 22. Similarly, the comments of DG, SAI were common to these items. This is an existing national coaching centre for gymnastics and virtually, no additional expenditure is involved, except training related entitlements of inmates.

22.2 The proposal was approved.

**Agenda Item No. 23**

**RECOMMENDATION OF B.V.P. RAO COMMITTEE REPORT AND SUGGESTION OF SAI FOR CONSIDERATION**

23.1 The report was approved subject to the remarks/suggestions made by SAI.

**Item No. 3: Setting up of SAI Sports Partnership Fund**

The matter was discussed at length. It was felt that under the MYAS Scheme of National Sports Development Fund (NSDF), there exists a provision of providing matching grants against all contributions, which is not there in the case of proposed SAI Sports Partnership Fund. Also, the objectives laid out in the proposed Fund, by and large, are already covered under the NSDF Scheme. It was, therefore, decided to drop the proposal and make efforts to strengthen the NSDF Scheme by way of mobilizing more funds. Suitable amendments, if required, shall be carried out in the NSDF Scheme for funding to SAI to meet the proposed objectives.

**Item No. 4: Construction of 100 bedded Boys Hostel at LNCPE, Thiruvananthapuram at an estimated cost of Rs. 862.45 lakh**

The proposal was approved.
Item No. 5: Establishment of SAI, SAG Centre at Solai Gaon, North Lakhimpur (Assam) – Phase I at an estimated cost of Rs. 1441.00 lakh

The proposal was approved.

Item No. 6: Replacement of wooden flooring of Multipurpose Hall at SAI Regional Centre, Guwahati at an estimated cost of Rs. 96.55 Lakh (within approved cost of Rs. 248.35 lakh already approved in 43rd Governing Body Meeting held on 13th March 2015)

The proposal was approved.

Secretary (Sports) advised to complete the work by end of January, 2016 so that it can also be used in conduct the South Asian Games.

The proposal was approved.

Item No. 9: Opening of Athletic Training Centre for Siddis at Dhandeli, in Karwar district of Karnataka costing Rs. 139.08 Lakh

The proposal was approved.

Secretary (Sports) suggested that since the Centre to be opened was for the Siddi community, the children belonging to Siddis community in other parts of the country (in addition to those in Karnataka) should also be considered for induction in the above Centre.

The proposal was approved.

DG, SAI informed that the services of foreign coaches/experts attached to the national teams shall also be utilized at the Academy during off-camp period, besides the coaches/experts to be deployed on regular basis there. Secretary (Sports) suggested that age group tournament structure should be developed, viz., U-16, U-18, etc., so as to provide sufficient competition exposure. It was also suggested that, since CPSUs/other corporate bodies may also be interested to associate themselves in such ventures, the possibility for the same may also be explored to increase the funding.

However, with regard to Billiards & Snooker, it was decided that the same may be charged on hourly basis (Rs. 60/- per hour) instead of charging on the monthly basis.
Item No. 17(a): Revision of tariff for booking of SAI Stadia for sports and non-sports events (including commercial sports)

&

Item No. 17(b): Revision of tariff for booking of SAI Stadia for sports and non-sports events (including commercial sports)

The proposal was approved.

Item No. 25: Signing of Memorandum of Understanding with Glenmark Aquatic Foundation (GAF)

The proposal was approved, subject to the following:

- Clause 6(b), Sports Science and Sports Medicine experts to be approved by the Steering Committee;

- In the Steering Committee, an international swimmer acceptable to both the parties, could be inducted, thereby making it a 9-member committee;

- Clause 8, SAI's other partners/other organizers to be deleted.

- In the Pyramid for dispute resolution, "Courts of Delhi" to be substituted by "Arbitration" as per provisions of Indian Arbitration Act;

- Clause 16, in case of withdrawal by either Party, GAF will pay on a pro-rata basis for the duration of the notice period, and shall have no further liability to pay to SAI.
Item No. 26: Proposal for instituting Awards for SAI coaches/trainees for Outstanding Performance

Secretary (Sports) suggested that this may be given wide publicity and circulated amongst all the Universities, Colleges, State Governments, etc., besides hoisting it on the SAI website by providing a link to access it. It was also suggested that similar exercise may also be carried out for enumerating specifications of sports equipment.

The GB approved 50% discount, as it is a non-commercial, charitable event.

(a) International Association of Athletic Federation (IAAF) and Athletic Federation of India (AFI)

Change of name of Sports Authority of India (SAI)

During preparation & conduct of 1st Khelo India School Games from 31.01.2018 to 08.02.2018. Hon'ble Minister (YA & Sports) commented that SAI does not depict the encompassing role in the development of Sports while it is playing for 3 decades & desired that the name should suitably be changed to ‘Sports India’ instead of Sports Authority of India as in the case of developed countries like UK Sports, Australia Sports etc. Accordingly, the matter was discussed later at various stages & it is felt that it is the right stage that name of Sports Authority of India is changed to give right perspective of the organization.

It is to be intimated that SAI is a registered Society under the Societies Registration Act 1860, therefore change of name of SAI to any other name needs approval of Governing Body & General Body and then suitable amendments are required to be made in the Registrar Office and all relevant documents including wide circulation to all States/Sports Organizations for information & necessary action.

Besides, logo of SAI will also need modification suitably. In this regard, it is proposed that the logo design could be made through National Institute of Design, New Delhi and also through crowd sourcing by inviting open offers from the public. The selected design of logo would carry a prize money of Rs. 25,000/-

Accordingly, the matter was placed in the file before the Hon’ble MOS, YA&S being the Chairman of the Governing Body, SAI and the Hon’ble Minister has approved as under :-

"It may be Sports India in Devnagri Script"

In view of the above, the following are submitted for consideration and approval of Governing Body, SAI:-

1) Change of name of Sports Authority of India (SAI) as Sports India.
2) Modification in the logo of SAI as suggested above.

Approval of the Governing Body is solicited for Change of Name of Sports Authority of India (SAI)

Agenda Item No. 9
Remuneration for the contractual staff for SAI Regional/National Sports Academies

The proposal is approved. However, it was observed by the Chairman that upper cap sealing of remuneration may not be there. It was suggested by the Chairman that a panel should be set up to decide the remuneration, depending upon the experience and knowledge of the contractual staff being appointed in Regional/National Sports Academies. The performance of staff so appointed shall be reviewed in the next Governing Body. After deliberation, it was approved that 100 percent increase be done on the higher cap.

Agenda Item No. 10
Change of name of Sports Authority of India (SAI)

The proposal is approved in principle. However, it was recommended that it should be ensured from the concerned agencies the name “Sports India” is not registered by anyone else and is available for use to avoid any legal complications.

Agenda Item No. 11
Cadre Restructuring in Sports Authority of India (SAI)

The proposal is approved in principle. It was informed by DG, SAI that this is revenue neutral and would enable SAI to be more lean and efficiently managed structure. The Governing Body also advised SAI to encourage entry of professionals at various levels to manage critical activities for better accountability and efficient functioning. It is also suggested by the Chairman that there should be a system of internship in SAI from the top sports management institutions like IIM etc.

Agenda Item No. 12
Adoption of Akharas

The proposal of adopting Capt. Chandroom Vedic Vyayamshala, New Sabzi Mandi Mandi, Delhi and Vikas Pehlwan Vyayamshala, Jalebi Road, Rohtak is approved.

Agenda Item No. 13
